

4 November 2016

Dear Parent/Carer

We are providing extra Mathematics classes for students who came to the academy in Year 7 at or just below the expected level. We hope that these classes will give the students every opportunity to make the progress needed.

These classes will take place for your child on a **{Monday/Wednesday\*}** from **2:45pm until 3:30pm** in the Mathematics corridor. These compulsory classes will be taken by either the mathematics teachers Mr Clough, Mr Bennett or Mrs Highnett, and the programme is overseen by Mr Bateman, Director of Mathematics. We very much hope that your child will enjoy these sessions and ultimately be more confident in their mathematics lessons. We very much hope that your child can stay in the academy in order to attend the classes.

Please complete the form below to confirm that you have read and understood the details and that you give permission for your child to attend. If you have any questions please do not hesitate to contact us at the academy.

Yours faithfully

Mrs N Cornfoot  
Vice Principal

Mr C Bateman  
Director of Mathematics

✂-----

I confirm that I have read and understood the information regarding extra mathematics classes on {Monday/Wednesday\*} each week starting the week beginning 14 November 2016 and give permission for my child to attend on the days and at the times stated.
