Dear Parent/Carer

Re: English Tutoring

We have taken the decision to offer some students extra English tutoring in place of their current MFL provision. We are able to offer this through a dedicated Literacy Tutor who will be working with small groups of students to improve their written accuracy and basic English literacy in preparation for GCSE and beyond.

This will mean that your son/daughter will no longer study French until the end of Year 9. The extra English provision will continue throughout Key Stage 3 and will be a timetabled lesson.

I hope you will support the academy in this decision and if you have any further questions please do not hesitate to contact me.

Yours faithfully

Mrs C Murray
Curriculum Leader MFL
