

3 July 2017

Dear Parent/Carer

I am writing to you to inform you that (name of student) has been invited to take part in an exciting opportunity to participate in an Art project alongside a guest architect from The Royal Institute of British Architecture. Students have been chosen to attend this event if they have exhibited a genuine passion for art, those that may choose or have chosen to study Art in KS4 and those whom have shown an outstanding attitude to learning in the subject.

The project will take place on the **Tuesday 25 July** between 8.20 am – 2.45 pm, and students will not follow their usual timetable. Students participating in the project will visit the Tetley Art gallery, a short walk away from the academy, in the morning and return to school for the remainder of the day.

The project will allow students to develop an understanding of the architectural design process. In small groups they will plan to redesign elements of the gallery building and will attend an awards ceremony at the end of the day to showcase their designs and celebrate the successes of the project.

Students will be required to wear school uniform and will have break and lunch at the academy as normal.

Please see below a permission slip for your child to attend this activity. Unfortunately without the completion of this permission slip your child will be unable to attend this enrichment activity. I would be grateful if this could be completed and returned by **Friday 14 July 2017**.

If you have any questions or would like further information, please do not hesitate to contact the academy.

Yours faithfully
Miss S Johnston
Lead teacher of Art
