

27 September 2017

Dear Parent/Carer,

**Careers Trip to the Skills Show – Wednesday 18 October 2017:**

As part of the programme of education we provide for our students here at The Ruth Gorse Academy, we feel it is important for students in Y10 to better understand the various career pathways and post-16 options available to them once they leave school after completing their GCSEs. With this in mind, your child is invited to take part in a visit to the Skills Show at Centenary Pavilion, Elland Road, where they will have the opportunity to take part in practical demonstrations of workplace skills such as panel spraying a vehicle or developing a website, as well as the chance to ask questions to a variety of employers and training/apprenticeship providers from around the UK.

Should you wish to find out more about this event, further information can be found by using the following web link - <https://prospectsevents.co.uk/our-events/skills-england/yorkshire-the-humber-2017/>

The visit will take place during the school day between 11:00-13:45 and all students on the visit will finish school at the usual time. If your child is eligible to receive Free School Meals, they will have lunch provided for them on the visit and if not, we ask that students bring a packed lunch with them to eat at the venue.

If you have any questions regarding the visit, please contact me using the school number or email below.

Yours sincerely

**Mr. C Webb**  
**Careers Adviser**
