Dear Parent/Carer

People Like Me Event – Thursday 19th October 2017 – 16:45pm - 19:00pm

At The Ruth Gorse Academy we are always striving to inspire students to think about the variety of career options available to them in the future and how the different subjects they study in school can help prepare them for the world of work. With this in mind, we have recently been given the opportunity to host a **‘People Like Me’** event, which will give female students at our school a chance to speak with a variety of female role models currently working in the STEM industry and find out more about what careers in this area are really like.

The event is around two hours in length and will run from 16:45pm to 19:00pm, with refreshments provided beforehand. As students will be in school until 15:45 already on this day for their extra-curricular clubs, any students taking part in this event will be able to remain in school from 15:45pm - 16:45pm in Room 203, to complete any necessary homework or reading before the start of the event.

Additionally, as this is a WISE (Women into Science and Engineering) event, it is aimed at both our female students and their mothers/female carers, so if you are interested in attending this event with your daughter, please tick the relevant box on the consent form below.

If you have any questions regarding the visit, please contact me using the school number or email below.

Yours sincerely,

Mr. C Webb
Careers Adviser
