

14 December 2017

Dear Parent/Carer

Leeds College of Music Visit – Thursday 18 January 2018:

At The Ruth Gorse Academy, we are always striving to inspire students to think about the variety of career options available to them in the future and how the different subjects they study in school can help prepare them for future opportunities in education and the world of work. With this in mind, your child is invited to take part in a visit to the Leeds College of Music on Thursday 18 January in order to learn more about music production and some of the higher education pathways available for students who have a passion for studying music further in the future. The itinerary for the day will be as follows:

10:30am - 12:00noon	-	Production Workshop with Dr Ben Gaunt
12:00 - 12:45pm	-	Lunch (Provided by LCoM)
12:45pm -1:30pm	-	Campus Tour
1:30pm - 2:00pm	-	Student Life Talk / Q&A with Student Ambassadors

There is no cost attached to the visit. Lunch will be provided by Leeds College of Music and students will be transported using the school minibus. We look forward to your child taking part in what is sure to be a fantastic learning experience and a great opportunity to find out more about the educational pathways available to them in the future.

If you have any questions regarding the visit, please contact me using the school number or email below.

Yours sincerely

Mrs. E. Cassells
Head of Music
