4 February 2019

Dear Parent / Carer

Year 11 Mock Examinations 2018-19

As you will be aware from our previous letter in October, and the recent letter regarding Parents Evening, your child has started a second set of mock examinations which will be running from **Monday 4 February 2019 to Friday 15 February 2019**.

A full timetable which details exactly when each mock examination will take place is included with this letter. As in November, a booster session will take place immediately before each examination which will provide students with the key information they need for success in the examination prior to entering the examination hall. Your child's teachers have discussed these mock examinations with them and recommended different ways they can approach their revision. The Library continues to be available to Year 11 students if they wish to complete revision in school from 7.30 am before school, at lunch time and at the end of the school day until 5.00pm.

The importance of your child's attendance in school, up to and during these mocks examinations, cannot be overstated. As in November, all the results will be analysed by class teachers thoroughly to ensure that your child knows exactly what they need to do to improve. At the Year 11 Parents' Evening **on Monday 4 March**, your child will collect their mock examination results.

Due to the nature of some of the examinations, some students may finish the school day slightly later than the normal time. If a student misses an examination for any reason, we hope you will understand if we arrange for them to complete the examination on the first available day from 3pm until 5pm.

Finally, please note that external GCSE examinations will run from **Monday 13 May 2019 to Wednesday 26 June 2019**; a personalised timetable will be given to students nearer the time. Students will be required to attend school as normal until their final examination during this period. Please ensure that any family holidays are not booked to clash with these dates.

If you have any questions, please do not hesitate to contact one of us at the academy.

Yours sincerely

W Shuttleworth
Assistant Principal

C Loveday
Head of Year 11
