Dear Parent/Carer

Re: GCSE French – Higher Tier Exam Focus session

I am delighted to be able to invite your son / daughter to take part in the first of two workshops designed for students aiming for grades 7 - 9 in French. The aim of this initiative is to immerse your child in the language they are studying and to provide your son / daughter with the strategies they need to achieve the highest grades in their final GCSE examinations. There will be a total of 2 workshops, the first one on **Wednesday 6 March** and the second one on **Wednesday 13 March**.

This initiative is run by the GORSE Academies Trust and will take place at The Morley Academy on 6 March and at Elliott Hudson College on 13 March. The sessions will be free of charge. Transport to and from the academies will be provided by minibus with students leaving The Ruth Gorse Academy at **12pm** and returning at **4.30pm**. Students will be required to wear their full school uniform.

We are really looking forward to working with your son / daughter and hope that as well as enjoying these sessions, they will give them the skills, confidence and strategies necessary to enable them to achieve the top grades in their final GCSE examinations.

Please can I ask that you complete the permission slip and medical information overleaf and return to **Miss Hallier or Mrs Murray by Tuesday 12 February 2019**.

Yours sincerely

Mrs S Clayton
Director of MFL (TGAT)
