

Next Steps @ TRGA

Your weekly Careers news!

11th March 2019

Next Steps @ TRGA is a weekly newsletter which aims to provide students at TRGA with useful careers information, advice and ideas for the future – stay tuned for more tips and information next week!

Career of the week

This week, we've mixed things up slightly with a profile on careers in Science to celebrate British Science Week 2019!

Careers in Science

- Critical Thinking
- Analysing Data
- Problem Solving
- Teamwork
- Collecting Research
- Communication

I want to know more about...

Got a job or career area you'd like to find out more about that we haven't featured in the newsletter?

Let us know by coming and speaking to **Mr. Webb** in the **Careers Room** (Room 203)!

Monday Morning inspiration:

"If you find yourself in a hole, stop digging."

Sharon Cooke Vargas

Need some support with your future plans?
Speak to your Careers Adviser!

You can find **Mr. Webb** in the Careers Room (203) on the 2nd floor at breaks or lunchtimes if you have any questions!

6th Form / College

Students studying Science at A-Level can choose between studying Physics, Chemistry and Biology (or all three) and colleges offer ways to study Science in alternative courses, such as BTEC Applied Science or BTEC Extended Diploma in Forensic Science.

University

According to What Uni, there are over 1500 individual university degrees related to Science in the UK, including everything from Biology, Chemistry, Physics, Medicine, Dentistry, Forensic Science, Sports Science, Engineering and Computer Science, to name but a few!

Apprenticeships

There are apprenticeships related to Science in a wide variety of career areas at levels from Intermediate (L2) to Degree (L6), including Pharmacy Services, Aerospace Engineering and Nuclear Science!
